

Stereo Speaker

Right Channel Speaker

Rich sound. Rich finish.

The Platinum Series Top-Firing Stereo Speaker features a hand-lacquered and polished high-gloss finish. Add the Platinum Series Top-Firing Stereo Speaker to your Model Three™ clock radio and turn it into a true stereo system, capable of filling a room with warm, rich, detailed sound that is sure to delight.

The Top-Firing Stereo Speaker is crafted from furniture-grade walnut wood that goes through a lengthy lacquer process and topped with a beige grille. It matches the Platinum Series Model Three radio perfectly, to create a stereo that looks as good as it sounds.

Placing the stereo speaker, with its 15' of cord, several feet from the main unit, provides the detailed imaging and accurate sound that is essential for stereo reproduction.
